ENTRY REQUIREMENTS

NQF Level 2 Qualification

ASSESSMENT

Integrated Assessment: Integrated Formative Assessment The skills development provider will use the curriculum to guide them on the stipulated internal assessment criteria and weighting. They will also apply the scope of practical skills and applied knowledge as stipulated by the internal assessment criteria. This formative assessment leads to entrance in the integrated external summative assessment.

Integrated Summative Assessment: An external integrated summative assessment, conducted through the relevant QCTO Assessment Quality Partner is required for the issuing of this qualification. The external integrated summative assessment will focus on the exit level outcomes and associated assessment criteria. The external summative assessment (which may be e-assessment) will be conducted through an evaluation of written theoretical assessment covering critical aspects at an assessment site accredited by QCTO and conducted by a registered assessor.
