122627	4	120	12 Months	TETA

OVERVIEW

The National Occupational Certificate: Road Transport Supervisor prepares learners to oversee the implementation and maintenance of road transport operations for freight movement (including reverse logistics) in line with customer and legislative requirements. It serves as an entry point into a management position in this occupation and is designed primarily for individuals already working in road transport operations.

WHAT YOU WILL BE ABLE TO DO

Maintain customers and staff relationships using ethical procedures to address any shortcomings found. Manage a fleet of vehicles and transport routing to adjust and apply common strategies to effect changes. Maintain transport infrastructure and track vehicle telematics to adjust and apply common strategies to effect changes. Oversee budgetary and legislative compliance to adhere to ethical standards and codes of conduct.
